NO SCHOOL

*Dear Students and Parents,*

*The New Year often causes us to take stock of our lives and set improvement goals for ourselves. Personally, I've vowed to lose the same 5 pounds for each of the last 20 or so years. I ran into a neat article that describes several activities families can do together to set goals. It's a great way to empower us all move our lives in a positive direction. I love that it also discusses the "growth mindset" we encourage students to adopt in our school. Here is the link to the article: <https://biglifejournal.com/blogs/blog/5-fun-goal-setting-activities-children>*

*I hope you will take time to do some of these activities with your child during the break. We appreciate your students and are so thankful to all of the positive contributions they make to our school and our community.*

*Sincerely,*

*Mr. C.*

# C.C.R.

(College & Career Readiness)

7<sup>th</sup> grade is the first year that counselors begin to meet with students to come up with a plan for success in college and career. We will be meeting with every 7<sup>th</sup> grade student to discuss career goals, class selection for upcoming school years, and to make post-high school education goals according to the career of their choice. Parents are strongly encouraged to attend with their student. You will be receiving an email next week to schedule your C.C.R. appointment
