Hello Jaguars,

We made it to the 3rd and final trimester of the 2018-2019 school year, and we did it together! We are so thankful for our awesome teachers as they continue to work to meet the needs of their students. Please continue to support them, and say "thank you" every chance you get; they work so hard!

Attendance in this last trimester is particularly important as we teach our students to stay committed to their education. Your child is forming educational, and learning habits that will continue to help support them throughout their lives.

We say "thank you" to students through our monthly Reward Zone. Students will be acknowledged for the foundational skills they are building. As a reminder, these skills include being on time for school, and for every class period. We also want students to complete, and turn-in every assignment; those points add up and their grades reflect the hard work they are doing. Last but not least, "thank you" to all the parents and caregivers that continue to teach your student(s) these life-long skills.

Spring Break is upon us, and we hope everyone can be safe and respectful. Most importantly, HAVE FUN!
