## Dear Students and Parents,

*I am amazed at how quickly the year flew by. Congratulations to all of the students for their hard work and accomplishments. I hope that you are starting to see the amazing things you can do when you set goals and work hard at things.*

*We are excited about our new ROAR Program and have loved watching our students be rewarded for being Respectful, being Open-Minded, having positive Attitudes, and being Responsible.*

*Even though they are young, I would encourage you to talk to your students about their career goals and what training they would need to accomplish them. Summer is a great time to visit college campuses and research vocational training opportunities. Don't forget library visits and taking the time to read great books. Finally, use the break to relax and have fun and as one of our Leader in Me habits advises, to "sharpen your saws".*

*Good luck in middle school to our 7<sup>th</sup> grade class and see you soon 6<sup>th</sup> graders.*

Mr. C.

The Library will be holding the annual "Book Exchange" on **May 15, 16, and 17th**. The library has been saving and collecting books for the past year for students to exchange their own books with. Each book that a student brings from home (with parent permission) can be exchanged for a book that the library or another student has put in the book exchange. Students can exchange as many books as they desire. No textbooks, scriptures or magazines are allowed. Books do not need to be new to be exchanged. Well-loved books are acceptable.

## 2018 Summer Reading Events

### at the Hurricane Library

**\*All programs are at 10:00 & again at 11:00, unless otherwise indicated.**

**June 5**—10:00 am - 12:30 pm

Water Bounce House Party! Wear your swim suit for a bouncing fun time!

**June 12**—Dan the Music Man

This workshop is fully interactive, with 70 percussion instruments for children to explore, experiment, and create with. Dan makes music accessible to anyone so they can tap into their own authentic creating power!

**June 19**—Home Depot Hands-on woodworking workshop.

**June 26** – Kindermusik—the world's leading music and movement program. Tara Dunn uses the power and joy of music, helping children to develop a passion for music.

**July 3** – Science of Sound

What is sound? How are we able to hear everything around us? Come join us as we discover together how sound functions, travels, and moves. Play with non-Newtonian fluids and see sound in action!

**July 10**—Tuacahn?? We won't know until April 16<sup>th</sup>.....

**July 17**—Musical Instrument Rodeo—Have you always wanted to play the electric bass? Drums? Violin? See, hear & try a plethora of musical instruments!

## LIBRARIES ROCK!
