Upcoming Events

Dear Students and Parents,

I can't believe how quickly the time has flown by this year. Congratulations to our students for their hard work and accomplishments. I hope that you are starting to see the amazing things you can do when you set goals, and work hard to achieve those goals.

We are happy about continuing our R.O.A.R. Program and have loved watching our students be rewarded for being Respectful, Open-Minded, having positive Attitudes, and being Responsible. We are also excited for our new HOPE Squad, and the training our students have received in building positive relationships and suicide prevention.

I would encourage you to talk to your students about their career goals and what education and training they would need to accomplish them. Summer is a great time to visit college campuses and research vocational training opportunities. Don't forget library visits and taking the time to read great books and review those essential math skills. Have a great summer.

Mr. C.

DSUTM

STEM OUTREACH

DIXIE STATE UNIVERSITY

IQ and friendship building camps and activities all summer long!
Space is limited! More information and registration at stem.dixie.edu

Code School

May 28–July 26

An intensive nine-week course to jumpstart a web programming career. Interaction with the local industry is facilitated by Code School. Learn modern web technologies, javascript databases, web frameworks, client-side and server-side web application development. 9am - 1pm. To apply go to stem.dixie.edu

Grades 11–Adult

Free w/Admission

CodeChangers

June 3–6

CodeChangers offers a unique tech education experience with an online, self-paced program, after-school classes, and camps that is easy to use and carefully mixed with hands-on activities designed to help inspire creativity and connection to real-world projects. Learn to create your world with technology! 9am - 3:30pm.

Grades 2–12

\$295 early bird

Coding Zendō

June 10–13

The future is here! Learn to build and code a personal home assistant. Connect to the internet, interface with social media, play music, control your world with a device designed and built by you for you. Students will keep what they make. Interest in computers a must but no experience necessary.

Grades 10–12

\$195

eSMART

June 10–13

eSMART (exploring Science, Math and Related Technologies) is a summer camp for girls entering the 8th grade. Spend four days and three nights in the dorms at DSU as part of your first college experience! Includes a variety of STEM workshops taught by successful women in STEM careers.

Girls Grade 8

\$300

P.O.P. Rocks

June 11–14

P.O.P. Rocks is a hands-on, interactive camp where high school students explore the physical and organic properties of rocks and water in our environment. In the field, students will explore local geological sites and rivers while gathering samples. They will test and analyze their samples in DSU labs. 9am - 2pm.

Grades 10–12

\$195

Maker School

June 17–21

Become a maker! Design and make your own prototypes using Design Thinking and the new makerspace at DSU's Atwood Innovation Plaza. Use laser cutters, 3D and large format printers and more. 10am - 3pm. To apply go to stem.dixie.edu

Grades 10–Adult

Free w/Admission

Girls Go Digital

June 24–27

Now in it's 6th year, Girls Go Digital is a computer science and tech camp just for girls. Learn how to HACK, DESIGN, CODE & MAKE with technology. Any level of interest and experience is welcome. From programming, micro controllers, pixel art, digital photography, e-textiles, to web design and more, we've got something for every girl! Daily 9am - 3:30pm.

Girls Grades 2–12

\$295

Engineering Camp

July 8–11

This camp is designed to provide an introductory experience to mechanical engineering that is both engaging and fun. Learn about mechanism design, thermal science, and electronics & circuits. Use the engineering design process and rapid prototyping tools to complete a design project.

Grades 10–12

\$195

Gene Girls

August 5–7

Discover exciting cutting edge science including isolating and identifying genes and editing gene DNA sequences using techniques like CRISPR. All activities are developed and run by DSU biology and chemistry faculty with the assistance of DSU students. Activities are focused on genetics and biotechnology in a university lab setting.

Girls Grades 9–10

\$195

Keep Children Busy This Summer

Washington City Recreation continues to offer fun summer camp opportunities for your children! Mark your calendars now for the upcoming "Little Strikers" Soccer Camp on June 3-5, 2019 at Veterans Park and the "Little Hoopsters" Basketball Camp on June 10-12, 2019 at the Washington City Community Center. Each camp is designed for boys and girls ages 5-8 years old. A variety of fun activities and drills will introduce your child to each sport, as well as advance the current skills and abilities of those who already play. The cost for registration is \$25 per child. Camp T-shirts will be provided to all participants at no additional cost. Don't miss out on this exciting opportunity! Looking for something for youth ages 8-14? Check out the "Summer Shootout" Youth Basketball Camp Monday through Thursday, July 8-11, 2019 or how about "Ace" Youth Volleyball Camp Monday through Thursday, July 15-18, 2019. There is also a New Youth "Ultimate Frisbee" camp June 10-14, 2019. Sign up now before spots are filled.

Cheer, Drill, Safety Camps & More

Washington City Community Center will once again offer summer cheer camps. There will be two sessions to choose from with the first June 5-7, and the second July 10-12. This is a one hour camp for ages 4 & up taught by Desert Hills High School. Children will learn warm-ups, basic cheer, and have the opportunity to perform the last day of camp. The cost is \$30.00 per child and can be paid at the front desk or online. You can also sign your child up for a fun upbeat 3-day Drill camp for youth ages 4-15 held from June 11-13. If you ever worry about your child staying safe then sign them up for Safety Camp. This is a 2 hour camp for youth ages 5 - 12 teaching kids about safety. This camp is taught by the Police Department, Fire Department, Animal Control, and the Aquatics Department. The camp runs from June 17-19 from 10 The cost is \$30.00 per child. There are also summer Dance Camps, Babysitting Camps, and Rock Wall camps available. For full details visit us online.

Aquatics Fun For Everyone

Washington City Community Center Aquatics has this summer planned for you. Does your child need some help learning the basics? Sign them up for some one-on-one time with an amazing swim lessons instructor. Or perhaps your child is more advanced (participants must be able to swim at least one length (25 yards) of the lap pool) then the 4-day Aquatics Camp for youth aged 10-15 is just what they need. This camp will introduce participants to lifesaving skills such as in-water rescues, first aid, CPR and the use of an AED. Camps are Monday through Thursday, June 10-13 and July 15-18, 2019. For more information and registration, please visit online.

Kids Discovery Camps

With six different camps, you can find something your child will love (for youth ages 3-8). Check out "Space Adventure" June 10-12, "Nature Adventure" June 17-19, "Dinosaur Discovery" June 24-26, "Legos & Structures" July 8-10, "Creepy Crawlers & Fuzzy Critters" July 15-17, and "Stem Science & Experiments" July 29-31. If you sign up for all six camps you will receive one free (must register at the front desk for this discount). Each camp is \$50 per session. Camps will feature hands-on lessons, crafts, activities, experiments & daily fitness fun. Keep your child entertained all summer long. If you are looking for something to do with your child there is also a 6 week Mommy & Me Music & Crafts class being offered. Each class is held on Tuesdays from 10:00-10:45. \$35 for a 6-week session, \$7 for a daily drop in. For more info go online.
