

HURRICANE INTERMEDIATE JAGUARS

May 2021

Dear Families,

What amazing students we have at Hurricane Intermediate School! We love them, and can't wait to see the great things they accomplish.

It has been a wild year, but with the hard work of the students, parents, teachers, and staff, we were one of the only districts in the nation to be able to hold in-person school all year. Strangely, there are many places still discussing how to safely open schools. I am grateful for everyone's flexibility and patience as we figured out online and blended options, many of which may be used to offer options for students and parents for years to come.

This summer I encourage you to have your student(s) read each day and practice some math problems. Travel if you can. Spend a lot of time outdoors, and avoid electronic devices. Watch documentaries. Most importantly, look for ways to serve each other.

**Thanks again for all your support.
Mr. C.**
