Dear Jaguars,

What a great start to the year! Several teachers and our school resource officer have commented about how well the students are behaving so far and how hard they are working. We look forward to many exciting academic and extracurricular activities this year. Our school mission is to ensure that every student at Hurricane Intermediate is high-achieving and well-rounded. We want our students to be successful in everything they do.

We are continuing our ROAR Reward program this year and encourage every student to show Respect, Open-mindedness, positive Attitude, and Responsibility. Doing this will make each child's life and our community better.

Thanks for all of you do. Let us know if there is anything we can do to help.

Sincerely,

Mr. C.
