Hurricane Intermediate Newsletter

April 2016

Dear Parents, Guardians and HIS Students,

Happy Spring! The counseling office will be meeting individually with every 7th grade student for their College and Career Ready meeting. This year we have focused on helping our students see the importance of setting goals and making choices that will help them have a successful future. Our students have been involved in many interest inventories that help them see what kind of career/ classes/etc. they would be good at because of the things they like to do. We will take those results and assist students in making goals for the remainder of the school year as well as the upcoming school year.

Remember the habit of the month "Sharpen The Saw." It seems as it stays light later it is a lot harder to go to bed early. Remember in order to do your best, your body must get adequate rest. As we begin Sage Testing make sure you are taking care of your mind, body, heart, and soul so that you can do your best!!!

Happy April!

Mrs. Glazier, 7th grade counselor

# BREAKFAST & LUNCH BALANCES

Lately, we noticed an increase in the number of student accounts with deficit balances. After some thought, we think it may be due to students charging both breakfast and lunch. If you are wondering why your student's lunch account seems to be dwindling quickly, it could be due to charging two meals daily. With that in mind, you may want to talk with your student to be sure he/she understands your wishes. Also please be aware that the office will give change if requested when paying with cash.

Thanks, Kevin Pedersen

## What's cooking?

There's always a meal ready to be served?

Some mornings, it's tough to find time to make sure your kids are eating a nutritious breakfast. On those days, why not send them to the School Breakfast program? Schools are required to provide a breakfast meal that supplies at least 1/4 of the Recommended Dietary Allowance for protein, calcium, iron, Vitamin A, Vitamin C, and calories.

**If your child already eats a free or reduced price lunch, they automatically qualify for a free or reduced price breakfast. Breakfast is served until 7:35am daily.**

Payments can be made in the office in the form of check, cash or credit card. You also have the option to pay online at [www.paypams.com](http://www.paypams.com)

## LUNCH CORNER

**EFFECTIVE IMMEDIATELY:** Please check lunch balances often, Starting May 1st your student will be sent to the office to call for money until the balance is paid. If your student does not have the full amount for a meal, they will not be allowed to eat that day. This is district policy. **THERE IS NO CHARGING FOR LUNCH.**

**Habit 7—Sharpen the Saw... Balance Feels Best**

We all feel better when we're balanced, when we take time to renew the four parts of who we are: body, heart, mind, and soul. To be healthy all four parts need time and attention. This habit focuses on finding balance and never becoming so busy sawing that we forget to sharpen the saw.

Ideas at home to "Sharpen the Saw"

1. For two nights in a row, go to bed early and see how great you feel when you wake up!
2. For one whole week, read for twenty minutes every day.
3. Go play or talk to someone you haven't been around for a while.
4. Go to one of your favorite spots in nature, like a mountain, a park, or a stream. When you get there, think about all the things in your life that make you happy.
