Hurricane Intermediate Newsletter

May 2016

Dear Students and Parents,

Thanks for another great year. I'm proud of the efforts our students have made this year and their willingness to try new things. The students have worked hard and achieved success academically, artistically, and athletically. I can't wait to see all the wonderful things you will accomplish in middle school, high school, college and beyond.

I encourage you to talk to your students about where they want to go to college and what they want to study when they get there. Discuss with them different career options, take them to visit college campuses and let them tour various businesses. A college or technical degree, especially in tough economic times, is worth its weight in gold. Going through life without a clear goal is a little like sailing the ocean without a map or compass. You just end up where the currents take you instead of where you want to go.

Have a great summer and don't forget to read.

Peer Mediators help students resolve conflicts with other students and promote a friendly atmosphere at our school. They also show the new students around the school and sit with them at lunch for the first day. Peer Mediators are encouraged to sit by students they are not as familiar with, all year. These students make a huge difference in the climate of our school. We are so lucky to have them!

School breakfast is cool!

Everyday is a perfect day for school breakfast!

As the summer approaches, kids are often more restless and distracted at school. You can help to make sure that their last weeks of school are productive by ensuring that they begin the day with a nutritious breakfast. Studies show a good breakfast makes kids more alert, less distractible and better behaved in school; it even improves their test scores! Let's keep our students focused by making sure they begin every school day with a balanced meal at home or at the School Breakfast program

If your child already eats a free or reduced price lunch, they automatically qualify for a free or reduced price breakfast. Breakfast is served until 7:35am daily.

Payments can be made in the office in the form of check, cash or credit card. You also have the option to pay online at www.paypams.com

LUNCH CORNER

EFFECTIVE IMMEDIATELY: Please check lunch balances often. Starting May 1st your student will be sent to the office to call for money until the balance is paid. If your student does not have the full amount for a meal, they will not be allowed to eat that day. This is district policy. **THERE IS NO CHARGING FOR LUNCH.**

Character ED Theme of the Month is:

Habit 8—Find Your Voice

Covey stated that there are 4 questions we must ask ourselves:

1. What are you good at: That's your mind.
2. What do you love doing? That's your heart.
3. What need can you serve? That's the body.
4. And finally, what is life asking of you? What gives your life meaning and purpose? What do you feel like you should be doing? In short, what is your conscience directing you to do? That is your spirit.

The mission of Hurricane Intermediate School is to ensure that every student is high-achieving and well-rounded.
