Dear Jaguars,

What a great start to the year! I have had several teachers comment about how well the students are behaving so far and how hard they are working. We look forward to many exciting academic and extracurricular activities this year. The school mission is to ensure that every student at Hurricane Intermediate is high-achieving and well-rounded.

This year our motto is “Go for the Gold.” I’m excited to see students giving their best effort on everything they do academically, artistically, athletically, and socially. Over the past few years, because of the hard work of students and teachers, the students have performed at a very high level. We expect that to continue this year.

Thanks for all that you do. Let us know if there is anything we can do to help.

Sincerely,

Mr. C

Character Ed

Habit 1—Be Proactive

You're in Charge

I am a responsible person. I take initiative. I choose my actions, attitudes, and moods. I do not blame others for my wrong actions. I do the right thing without being asked, even when no one is looking.

We will be choosing 2 students from every homeroom to represent our school by teaching character lessons to their class and setting a school climate of leadership and responsibility.

The mission of Hurricane Intermediate School is to ensure that every student is high-achieving and well-rounded.
