*Dear Jaguar Parents and Students,*

*This is my first year as a school counselor at Hurricane Intermediate School, and I am thrilled to be here! I received my Bachelor's degree from Utah State University in 2014, and my Master's of Educational Psychology from the University of Utah in 2017. Previously, I worked at Viewmont High in Bountiful and Centerville Junior High up in Davis County. I grew up in Farmington, Utah, and met my husband at Utah State University our sophomore year. After graduating, we moved to Salt Lake and both worked for a time before I decided to pursue my Master's degree. Upon graduating from the U, we moved to southern Utah for my husband to attend medical school at Rocky Vista University in Ivins. We had our first baby in July and are absolutely loving being parents.*

*In my spare time, I love to read (especially Harry Potter and anything by Brandon Sanderson), watch TV series on Netflix, hike, and find new ice cream shops to try. I LOVE Disneyland and am so excited to have kids to take there now!*

*My favorite thing about working at the Intermediate school is getting to meet one-on-one with my students and getting to know each of them. I love helping them create a game plan to help them succeed both now and in the future.*

*Mrs. Judd, School Counselor*

# CRISIS & TIPLINE SERVICES

Dear Parents:

We are happy to announce the implementation of the SafeUT Crisis & Tipline Services. SafeUT is a new tool designed to provide confidential two-way communication with SafeUT crisis counselors or school staff through the SafeUT Mobile App or Web.

The SafeUT CrisisLine provides 24/7 crisis intervention and emotional support in any type of crisis. Students can call the Crisis Line and speak directly to a crisis counselor or start a CrisisChat through the mobile app or web.

Students can also send non-crisis tips to school officials regarding topics such as bullying, cyberbullying, gang activity, drug & alcohol activity, and more. All tips are completely anonymous.

SafeUT helps to provide students with a safe and secure school environment and it provides our school administration with the communication and management tools needed to help and manage on campus situations.

Students will receive training on how to use the SafeUT Crisis & Tipline Services by their school administrators. The SafeUT Mobile App is available in the Apple and Google Play stores. Search "SafeUT".
