Dear Parents and Students,

Honesty has been on my mind lately, so I wanted to share some thoughts from famous people regarding this important subject.

"It takes strength and courage to admit the truth." — Rich Riordan, The Red Penguin

"Whoever is careless with the truth in small matters cannot be trusted with important ones." — Albert Einstein

"The real things haven't changed. It is still best to be honest and truthful; to make the most of what we have; to be happy with simple pleasures; and have courage when things go wrong." —Laura Ingalls Wilder

Any society remains strong when honesty is taught and expected of its people. I hope all students at Hurricane Intermediate will strive to be honest in all their actions and words. Everyone will be safer and happier!!

Ms. Hunter

JOB SHADOW

On March 22, 2017 over 300 7th Grade Students took a day off from school and went to work. The students went to different businesses throughout the community to be a Vet, Teacher, dentist, mechanic or other fascinating career for a day. Our CTE Teachers, Mrs. Crandall, Mrs. Fawcett and Mr. Howard assisted students with planning this fun day.

"I love for the student to see what it is like to be a teacher, lawyer, photographer, hairdresser, veterinarian or a variety of other careers for a day. It is something you cannot teach in a classroom." ` Mrs. Crandall

Students that were unable to attend out of school were able to participate in Job Presentations for a day. Thanks to the following who came and shared. Kacey Crandall (Radiology), Donna Mitchell (Zions Bank), Jolene Harris (Lin's), Troy Hall (Hurricane Police) and Chrystine Hyatt (Radio)

The mission of Hurricane Intermediate School is to ensure that every student is high-achieving and well-rounded.
