The Beauty of Fall

Are you enjoying the cooler breezes as you open your windows in the evening? We know change is coming, so we embrace its beauty for all the world to see. This is a time of year when the leaves begin to show new colors and neighbors emerge from their homes after months of heat. It is family portrait time and the whole world seems to take a second glance to admire our new look.

Our school has experienced our own season of change. We have a new principal, Mrs. Terri Howell, along with several new teachers. The intermediate level offers a stark change from past elementary school patterns and movement. Students are asked to make the necessary changes to adapt to the world where they are given more choice.

Here are four steps which will help our students sink roots into the fertile soil of learning:

- 1. Set the stage for learning.** Pick a comfortable and quiet location for studying. Make sure you remain nearby so that you can give encouragement as your student works.
- 2. Pay attention to timing.** Some students perform best right after school when their memories of instruction are fresh while others have a need to decompress after school with exercise or talking to a parent about their school day.
- 3. Plan ahead.** Be aware of the calendaring for each class and pay attention when large projects, reports, or tests are due. Success comes from systematic planning.
- 4. Practice.** Confidence can be built by taking practice tests while relieving anxiety. Review the material with your student and share your experiences learning in the home

Kevin Pedersen, Asst. Principal

SCHOOL SPIRIT

October 3 – October 7

MONDAY

Crazy socks/hair day

TUESDAY

Country vs Country Club day

WEDNESDAY

Disney day

THURSDAY

Twin day

FRIDAY

Jersey/H.I.S. Colors day

Dress up and show your school spirit!!!

APRIL	18	\$40.50
MAY	18	\$40.50

\$2.60 PER LUNCH

WELLNESS ROOM

DONATIONS

Hello Parents and Friends of Hurricane Intermediate School,

My name is Debra Howard and I am the Wellness Room Paraprofessional at Hurricane Intermediate School. This year is the 4th year we have had our Wellness Room open in our school. The first year we opened using money that our students raised through selling Dixie Direct books. I love that our students gave to our students!

Our Wellness Room provides a much needed respite from the stresses of life as a 6th and 7th grader. When tough days happen, students can take a 10 minute break as needed. Here in the Wellness Room, students learn to regulate their emotions and feel what a calm environment should be like. If you would like to learn more about Wellness Rooms, please go to www.washk12wellness.org This is a website full of great information from our school district about helping our mental health.

This year we are wanting to freshen up our Wellness Room with a few more spaces for individuals to learn and self-regulate. This gives our students small, calm spaces to sit quietly and do a simple activity using one of our "tools." Tools are what the students use to help them learn to regulate their emotions. There is a wide variety of activities because each student has different needs.

I am asking for your help in acquiring some new items. The link below is to an Amazon gift list. If you would like to donate any item or money, please use this link.

Thank you so much for caring about our students here at Hurricane Intermediate School!

ATTENDANCE MATTERS

If your student will not be at school, please call **635-8931** or email **karina.goodwin@washkl2.org**

If you are checking your student out of school early, you will need to come in to the school and sign your student out. You must have photo ID in order to check out a student. We will not release students to anyone who is not on your contact list.

District policy allows us to excuse valid absences/tardies within 7 days.
