Parents and Guardians,

I hope this message finds you well and filled with anticipation for the start of another exciting school year at Hurricane Intermediate. It is with great pleasure and enthusiasm that I extend my warmest welcome to each of you as we embark on this educational journey together.

The beginning of a new school year is always a time of renewal and fresh possibilities. It is a chance to set new goals, forge new friendships, and nurture our collective commitment to the growth and development of our students.

At Hurricane Intermediate, our dedicated faculty and staff have been diligently preparing to provide your children with the best possible learning experience. We are committed to fostering a safe and inclusive environment where each student can thrive academically, socially, and emotionally.

This year, we will continue to prioritize academic excellence, character development, and a strong sense of community. Our teachers are eager to challenge our students to explore, learn, and grow. We will also place a significant emphasis on building resilience, respect, and responsibility in our young learners.

I encourage you to actively engage with your child's education by attending parent-teacher conferences, school events, and volunteering opportunities. Your involvement is invaluable and greatly contributes to our shared mission of "Ensuring that every student is high-achieving and well rounded!"

As we embark on this new school year, please do not hesitate to reach out to us with any questions, concerns, or suggestions. Together, we can make this year a memorable and enriching experience for all.

Thank you for entrusting us with your child's education. I look forward to working closely with each of you to make this year at Hurricane Intermediate a resounding success.

Wishing you and your family a fantastic start to the school year!

Warm regards,

Terri Howell

WCSD ATTENDANCE

7th Grade Entry 2023-2024

To attend 7th grade, a student must have written proof of receiving the following immunizations:

- ◆ 1 Tdap (Only Tdap vaccine given at age 10 years or older is acceptable for 7th grade school entry)
- ◆ 2 Varicella (chickenpox)
- ◆ 1 Meningococcal (Only Meningococcal Conjugate vaccine given at age 10 years or older is acceptable for 7th grade school entry)
- ◆ 3 Hepatitis B

This is in addition to the below immunizations that should have already been completed: ◆ 2 Measles, Mumps, Rubella (MMR)

- ◆ 4 Polio
- ◆ 2 Hepatitis A
- ◆ 5 DTaP/DT

Recommended for 11-12 year olds, but not required for school entry in Utah: ◆ HPV

- ◆ Influenza
- ◆ COVID-19

Proof of immunity to disease(s) can be accepted in place of vaccination only if a document from a health care provider stating the student previously contracted the disease is presented to the school.

For children whose parents claim an exemption to immunization for medical, religious, or personal reasons, their legally responsible individual must complete an online immunization education module at immunize.utah.gov or in-person consultation at a local health department. A copy of the certificate must be presented to the school or child care official.

For a medical exemption from the required immunizations, a completed vaccination exemption form and a written notice signed by a licensed healthcare provider must be presented to the school.

For questions regarding your child's immunization status, contact your child's healthcare provider, your local health department, or the Immunization Hotline 1-800-275-0659.
