VACCINATION REQUIREMENTS

All 7th Grade
Vaccinations are now due!
It is Utah State law that any students that have not been fully vaccinated will be sent home on Sept. 12th due to the 30 day grace period ending. They will not be able to attend school until proof of vaccination is turned into the school.

Vaccination Exemption Link

*Please note * Your link on the website is only good for 3 days. You will need to print off or download the certificate. Bring the certificate to the school or email it to cheree.crosby@washk12.org. Please download to a computer to email, due to formatting on a phone does not work.
(Email to cheree.crosby@washk12.org)

Important Immunization Information!

Please Read!

All upcoming 7th grade students need the following additional immunizations BEFORE the start of the school year:

- 1 Meningococcal
- 1 Tdap booster (Tetanus/Diphtheria/Pertussis)
- 2 Hepatitis A and 3 Hepatitis B Immunizations
- 2 Varicella (Chicken Pox) Immunization (or proof of having had the disease by signing the official card.

If your student has received these immunizations, please provide a copy of the immunization record to the school before school starts. If you have previously submitted an exemption form, please note that Section 53G-9-303 of the Utah Statutory Code requires these exemptions to be renewed before 7th grade entry. This needs to be done on a computer not a mobile phone as the Certificate does not download correctly. You will need to send in a copy of the New Exemption Certificate. Remember that all of the Vaccine boxes need to be checked off. Please check that before printing it. For any questions, feel free to email me @cheree.crosby@washk12.org.

The full list of required immunizations are attached to this email. For questions regarding your child immunization status, contact your health care provider, Southwest Utah Public Health Department or the Immunization Hotline 1-800-275-0659.

Thank you

¡Información importante sobre vacunas!

¡Por favor lee!

Todos los próximos estudiantes de séptimo grado necesitan las siguientes vacunas adicionales **ANTES** del inicio del año escolar:

- 1 meningococo
- 1 refuerzo Tdap (tétanos/difteria/tos ferina)
- 2 vacunas contra la hepatitis A y 3 contra la hepatitis B
- 2 Vacuna contra la varicela (o acreditación de haber padecido la enfermedad mediante la firma de la cédula oficial.

Si su estudiante ha recibido estas vacunas, proporcione una copia del registro de vacunas a la escuela antes de que comiencen las clases. Si ya envió un formulario de exención, tenga en cuenta que la Sección 53G-9-303 del Código Estatutario de Utah requiere que estas exenciones se renueven antes de ingresar al séptimo grado. Esto debe hacerse en una computadora, no en un teléfono móvil, ya que el certificado no se descarga correctamente. Deberá enviar una copia del Nuevo Certificado de Exención. Recuerde que todas las casillas de Vacuna deben estar marcadas. Por favor verifíquelo antes de imprimirlo. Si tiene alguna pregunta, no dude en enviarme un correo electrónico a @cheree.crosby@washk12.org.

La lista completa de vacunas requeridas se adjunta a este correo electrónico. Si tiene preguntas sobre el estado de vacunación de su hijo, comuníquese con su proveedor de atención médica, el Departamento de Salud Pública del Suroeste de Utah o la línea directa de vacunación al 1-800-275-0659.

Gracias

August 2024

Parents and Students

Welcome Back to School! We are excited for the new school year 2024-2025! We hope you had a wonderful summer vacation and are ready to head back to school strong! Listed below are some school policies that we would like you to review as a parent as well as with your student.

When checking a student out:

All individuals should be prepared to present valid, state or federal, photo identification upon entering the building. No individual will be granted access to any student without producing photo identification upon request. No exceptions will be made.

Late Checkouts:

No checkouts will be allowed after 1:30 PM. (M-Th) and 10:45 AM (Friday) We are happy to check students out before this time. The last part of the day is our intervention time to work with students. Students will be visiting various classrooms and it becomes difficult to find students during this time. Students being checked out early by an approved parent or guardian must be picked up no later than 1:30 pm (10:45 AM Friday). We will not call into classrooms after 1:30pm. Students will be released when the dismissal bell rings at 2:00 pm.

Medications at School:

All and any prescribed medications required by a student throughout the school day must be checked in with the school Nurse/Health Clerk.

- A Doctor's form for the prescription will need to be completed and stamped by the student's Doctor.
- Students that require carrying meds on them throughout the school day will also need a Doctors form to indicate that requirement.
- Forms are available at the Front Office.
- Tylenol/Ibuprofen will only be given out for noticeable injuries.

Office Visits

Students **MUST** have a pass from their teacher to come to the office. Students will be sent back to class without a pass from their teacher.

Riding Bicycles/Scooters/One Wheels:

If students choose to ride scooters or bicycles to school, they must place them at the appropriate bicycle racks in front of the school. This includes one wheels, electric scooters and bicycles. We do not have a place within the school to store these items.

Photo Identification

All individuals should be prepared to present valid, state or federal, photo identification upon entering the building. No individual will be granted access to any student without producing photo identification upon request. No exceptions will be made.

Change of Address

It is extremely important that parents report a change in address or phone numbers to the Front Office *as soon as possible*. Up-to-date information is crucial in the event of any emergencies, natural disasters, illness, or school/district mail communications.

Messages for Students

No messages will be delivered to students during instructional/class time unless there is a family emergency. Any changes for the end of school day schedules, rides home, etc. should be arranged with the student at home before the start of the school day or the night before. If extenuating circumstances call for communication with the student during the school day, the student will be called to the Office Window at break time and/or at the end of the school day. We are not able to page students at lunchtime.

Campus Visits

Our campus is a “closed” campus. All visitors are required to check in with the front office staff and have to sign in the Visitor Log. If you feel you need to visit/observe your student’s classroom, arrangements must be made with the Principal and the student’s teacher at least three days in advance. Parents must identify themselves to Administration or a counselor prior to entering campus.
