Dear Parents and Guardians,

As we approach the end of another remarkable school year, I want to take a moment to reflect on the journey we've shared and express my heartfelt gratitude to each member of our school community.

This year has been filled with both challenges and triumphs, and through it all, your unwavering support and dedication have been the cornerstone of our success. Together, we have navigated uncertain times with resilience, compassion, and an unwavering commitment to the well-being and academic growth of our students.

Academic Excellence:

I am immensely proud of the academic achievements of our students this year. Our students have demonstrated remarkable perseverance, adaptability, and a thirst for knowledge. Their dedication to learning, both in the classroom is a testament to their resilience and determination.

Dedicated Staff:

Our dedicated team of teachers and staff members have gone above and beyond to ensure the success and well-being of our students. Their tireless efforts, creativity, and passion for education have made a profound impact on the lives of our students and the overall success of our school community. I am continually inspired by their commitment to excellence and their unwavering dedication to our students' success.

Strong Community:

At our school, we are more than just a community; we are a family. The support, collaboration, and sense of unity that define our school community have been more evident than ever this year. Whether it's rallying together to support one another during challenging times or celebrating each other's achievements, the strength of our community is truly remarkable.

I also want to take a moment to celebrate two lifelong educators who will be retiring this year. Mr. Troy Jolley and Mr. Dan Simon. I admire both of these gentlemen and they will surely be missed! Thank you for your dedication to our students!

It has been an honor and a privilege to serve as your principal, and I am immensely grateful for the opportunity to work alongside such an extraordinary group of students, parents, teachers, and staff members.

Wishing you all a safe, restful, and enjoyable summer break filled with joy, laughter, and cherished memories.

Warm regards,

Principal Howell

"Do or do not. There is no try."

## Tournament of Books

During March and April, our 7th grade language arts classes held a March Madness-style tournament of books. They started with 64 titles and after six rounds of voting, the winner was "The Hunger Games" by Suzanne Collins.

## Mt. Readmore

The Mt. Readmore trail is now closed! We had 68 students and 15 staff members read at least 5,000 pages to earn a spot to our

## Student Pick

Per the request of a group of friends we have created a special section in the library to highlight the "Keeper of the Lost Cities" series by Shannon Messenger. It is a fantasy series about a 12-year-old girl who discovers she has magical abilities because she is... an elf.

If you are looking for a series to read this summer, we recommend trying this one!

# **Important Immunization Information!**

**Please Read!**

All upcoming 7th grade students need the following additional immunizations BEFORE the start of the school year:

- 1 Meningococcal
- 1 Tdap booster (Tetanus/Diphtheria/Pertussis)
- 2 Hepatitis A and 3 Hepatitis B Immunizations
- 2 Varicella ( Chicken Pox) Immunization ( or proof of having had the disease by signing the official card.

If your student has received these immunizations, please provide a copy of the immunization record to the school before school starts. If you have previously submitted an exemption form, please note that Section 53G-9-303 of the Utah Statutory Code requires these exemptions to be renewed before 7th grade entry. This needs to be done on a computer not a mobile phone as the Certificate does not download correctly. You will need to send in a copy of the New Exemption Certificate. Remember that all of the Vaccine boxes need to be checked off. Please check that before printing it. For any questions, feel free to email me @cheree.crosby@washk12.org.

The full list of required immunizations are attached to this email. For questions regarding your child immunization status, contact your health care provider, Southwest Utah Public Health Department or the Immunization Hotline 1-800-275-0659.

Thank you
