February's Message From Mr. Eves

As we begin this new term, I want to take a moment to emphasize the vital role families play in fostering both academic and personal success for our students. At Hurricane Intermediate, we believe in the power of connections — between teachers and students, students and peers, and, perhaps most importantly, between home and school.

The Power of Connection

When students feel supported both at school and at home, they are more likely to engage, persevere, and succeed. Simple, consistent efforts to connect with your child about their day, their goals, and their challenges can make a significant difference.

Here are a few ways to strengthen those connections:

1. **Ask About Their Day:** Go beyond “How was school?” and ask specific questions like, “What was something interesting you learned today?” or “What made you laugh?”
2. **Encourage Responsibility:** Support the principles of our school motto, the H-Town 3—Respect, Responsibility, and Resilience—by helping your child stay organized with their assignments and prioritize their time.
3. **Celebrate Efforts and Growth:** Recognize not only achievements but also the effort your child puts into their learning. This encourages a growth mindset.

Learning at Home

Supporting learning doesn't have to be formal. It's about integrating curiosity and problem-solving into everyday moments:

- **Reading Together:** Encourage a love of reading by discussing books, news articles, or even your favorite topics.
- **Homework Support:** Set aside a quiet space and time for your child to complete homework. Be available to guide them, but encourage independence.

Together, we can create an environment where our students feel empowered to grow, thrive, and achieve their full potential. Thank you for your continued support and dedication to making Hurricane Intermediate a place where connections flourish and learning is celebrated.

Mr. Eves

Assistant Principal

Hurricane Intermediate School

All 6th grade students who will be in 7th grade next school year!

Get your immunizations Early!

Important Immunization Information!

Please Read!

All upcoming 7th grade students need the following additional immunizations **BEFORE** the start of the school year:

- 1 Meningococcal
- 1 Tdap booster (Tetanus/Diphtheria/Pertussis)
- 2 Hepatitis A and 3 Hepatitis B Immunizations
- 2 Varicella (Chicken Pox) Immunization (or proof of having had the disease by signing the official card.

If your student has received these immunizations, please provide a copy of the immunization record to the school before school starts. If you have previously submitted an exemption form, please note that Section 53G-9-303 of the Utah Statutory Code requires these exemptions to be renewed before 7th grade entry. This needs to be done on a computer not a mobile phone as the Certificate does not download correctly. You will need to send in a copy of the New Exemption Certificate. Remember that all of the Vaccine boxes need to be checked off. Please check that before printing it. For any questions, feel free to email me @cheree.crosby@washk12.org.

The full list of required immunizations are attached to this email. For questions regarding your child immunization status, contact your health care provider, Southwest Utah Public Health Department or the Immunization Hotline 1-800-275-0659.

Thank you

Mt. Readmore— Principal's Pick

Want to get an early start on our Principal's Pick for May? Here is a clue to guide your way,

"My title may sound small, but my story is mighty. My main character stands strong like the plant in my name, even without two things most people take for granted."

February Book Club— Biography

Mt. Readmore Side Quest

We will be starting a new side quest for Mt. Readmore in February. Students will select, read, and pass off 10 books that have been recommended by staff. Students who complete the challenge will get to attend a special lunch with staff members.

February 3-7

**SODA GRAMS
AND
CANDY GRAMS**

**Purchase: Mrs. Tapp Room 202
In the Morning
or Mrs Isom: window at Lunch**

HOPE
S Q U A D

**Delivered to
Homeroom
on February 14**

Pay your school fees!

Students may have new fees for the new semester...

Please check Powerschool accounts!

All school fees were due in October. Time has run out!

Please check your student's Powerschool account to see what fees they may still owe.

No yearbooks can be purchased until all fees are paid in full. If you have a question about them please call the school.

heart & Sole is for **EVERY**girl!

After-School Program

for 6th & 7th Grade Girls

Scholarships Available!

Heart & Sole, a program from Girls on the Run, is a character development program for girls in 6th & 7th grade. It combines social and emotional learning while connecting what we call the "Girl Wheel" - Heart, Social, Body, Spirit, and Brain with training for a 5K. A safe space where girls can learn and grow with their peers.

girls learn how to...

Increase self-confidence

Build healthy relationships

Make intentional decisions

Setting boundaries

Conflict resolution
