### Immunization Requirements 7<sup>th</sup> through 12<sup>th</sup> Grade Entry (2025-2026)

To attend 7th through 12<sup>th</sup> grade, a student must provide written proof of receiving the following immunizations:

- ☐ **1 dose of Tdap** (*Only Tdap vaccine given at age 10 years or older is acceptable for school entry*)
- ☐ **2 doses of Varicella (chickenpox)**
- ☐ **1 dose of Meningococcal Conjugate** (*Only Meningococcal Conjugate vaccine given at age 10 years or older is acceptable for school entry*)
- ☐ **3 doses of Hepatitis B**

This is in addition to the immunizations that should have already been completed:

- ☐ **2 doses of Measles, Mumps, Rubella (MMR)**
- ☐ **4 doses of Polio**
- ☐ **2 doses of Hepatitis A**
- ☐ **5 doses of DTaP/DT**

#### **Recommended (but not required for school entry in Utah):**

- ☐ HPV
- ☐ Influenza
- ☐ COVID-19

For students claiming a previous infection with Measles, Mumps, Rubella (MMR), Varicella (Chickenpox), or Hepatitis A, immunity documents must be provided to the school. These documents should include the results of serological/titer testing and a written statement signed by a healthcare provider confirming that, based on positive laboratory test results, the student does not need to receive the MMR, varicella, or hepatitis A vaccines.

For medical, religious, or personal exemptions, the legally responsible individual of the student must complete an online immunization education module at [immunize.utah.gov](https://immunize.utah.gov) or attend an in-person consultation at a local health department. A copy of the exemption form must be submitted to the school.

For medical exemptions, a completed vaccination exemption form, along with a written notice signed by a licensed healthcare provider, must be submitted to the school.

For questions regarding your child's immunization status, contact your child's healthcare provider, your local health department, or the **Immunization Hotline 1-800-275-0659**.

## What is SmartPass?

SmartPass is a digital hall pass system that our school uses to help manage and monitor student movement during the school day. Instead of using a traditional paper or physical hall pass, students request and receive their pass through a secure online platform, which can be accessed from a Chromebook, tablet, or other device.

---

## How Does it Work?

- When a student needs to leave class (to use the restroom, go to the office, visit the nurse, etc.), they log in to SmartPass and request a pass.
  - The teacher approves the request on their device, and the pass is time-stamped and visible to staff.
  - Staff members can see at any time who is in the halls, where they're going, and how long they've been out of class.
  - When the student returns to class, they check back in on SmartPass to close the pass.
- 

## Why Do We Use SmartPass?

We use SmartPass because it helps us:

- ✓ Keep students safe by knowing where they are at all times.
- ✓ Reduce unnecessary time out of class and improve learning time.
- ✓ Prevent misuse of hall passes or students wandering the building unsupervised.
- ✓ Make the process of leaving class more organized and efficient for students and staff.

SmartPass allows us to maintain a secure and respectful learning environment while giving students the freedom to meet their needs during the school day.

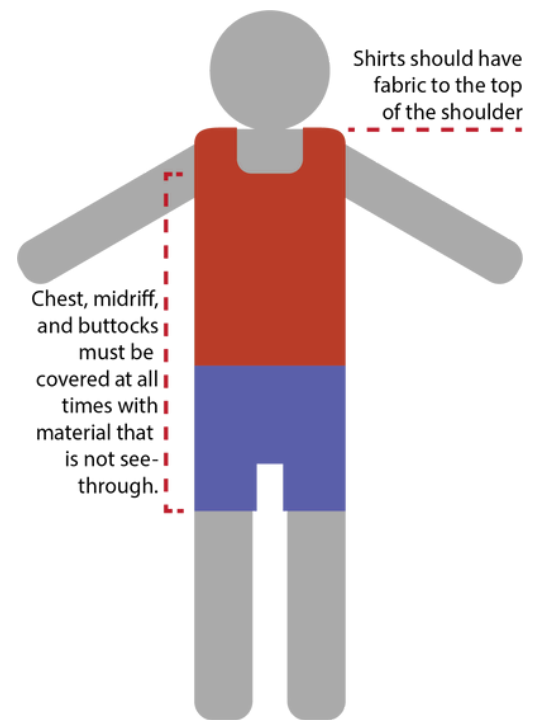

# WCSD Student Dress Guidelines

School administrators are responsible for the implementation and enforcement of student conduct, dress and appearance standards contained in District policy 2200 Student Dress Code and these guidelines. The legal concept of “reasonableness” shall be the guiding principle in the application and discipline of student conduct, dress and appearance. Adherence to the conduct, dress, and appearance standards and these guidelines will be the responsibility of the student and their parent(s)/guardian(s). School administrators will have final judgment on all matters concerning interpretation of student conduct, dress, and appearance.

The following specific guidelines have been established to aid students, parents, staff and administration in the implementation and enforcement of policy 2200 Student Dress Code.

Dress and Appearance Standards include (but are not limited to) the following:

1. Clothing should be clean and in good repair.
2. Hats and other headwear:
  - a. May be worn unless it disrupts the school or school activity, poses a danger to self or others, or limits the ability of others to identify the student.
  - b. Any headwear that does not allow the student's face to be visible is not allowed.
3. Clothing (See figure):
  - a. Must be appropriate in length and not revealing.
  - b. Must provide coverage of the torso with no viewable undergarments. Coverage will be with material that is not see-through
  - c. Tank tops and tube tops are not permitted
4. Clothing, appearance, jewelry, accessory, footwear, or personal item shall be free of any writing, images, symbols, or any other insignias that:
  - a. Are lewd, vulgar, profane, obscene, or sexually suggestive.
  - b. Advocates, represents, or promotes racism, discrimination, violence or hate in any form.
  - c. Signifies or depicts gangs and/or illegal or criminal activities. (Administrators in consultation with law enforcement agencies will determine what signifies and/or depicts these activities.)
  - d. Shows or references tobacco, alcohol, drugs, or any illegal substance.
5. Footwear, appropriate for the day's activities, shall be worn at all times.
6. Any dress or appearance item or practice that creates an unhealthy, unsafe, or disruption to the school or school activity may be prohibited.

With the approval of District administration and the School Community Council, schools may make minor changes and/or adaptations to the dress and appearance standards in order to address local needs. Schools should seek input from various stakeholder groups.

# New Cell Phone Policy

Dear parents,

As we look forward to the new year, please be aware that a new District-wide cell phone policy will go into effect on August 11, 2025. This is so we can be in full compliance with the new State law that was recently signed by the Governor.

## What this Means:

For students in Kindergarten through ninth grades, a complete cell phone ban will be implemented from the time students arrive at school until the time they leave school at the end of the day.

Cell phones must remain out of site and stored in backpacks.

Smartwatches may be worn but must be in silent mode while at school.

For students in grades 10 through 12, cell phones and electronic devices will have restrictions.

Cell phones, headphones, and personal electronic devices may not be used during instructional time.

Devices must be stored in lockers or backpacks, and not carried on the body during class.

Cell phone and electronic device use will be permitted only during passing periods and lunch breaks.

To review the policy, please visit <https://procedure.washk12.org/policy/3000/3740>. The applicable State law can be found at <https://le.utah.gov/~2025/bills/static/SB0178.html>.

Thank you for your continued support.

# Welcome Back! Get Ready to Ride with Us!

## Important School Bus Information for a Smooth Riding School Year

Dear WCSD Families,

We are thrilled to welcome you back for another exciting school year! Our top priority is ensuring your child's safe and reliable transportation to and from school. This flyer contains important information to help make bus riding a positive experience for everyone.

### Bus Routes & Schedules:

- **Where to find yours:** Bus routes and stop times are available in the following ways for your convenience. We are thrilled to announce that the WCSD Transportation Department has purchased an app called **StopFinder**. This app works on both iPhones and Android devices. Once you have downloaded the app, you will be able to have access to live updates as to your child's ride to and from school, and view where the bus is along the journey. You may also follow the steps to access your PowerSchool account @ <https://www.washk12.org/transportation/boundaries-and-routes/> for bus stop pick up times and locations. You have been sent an email with PowerSchool login info specific to your child. If you did not receive an email, contact your school and make sure they have your correct contact information in PowerSchool.
- **Be on time!** Ensure your child is at their designated bus stop at least **5-10 minutes before** the scheduled pick-up time. Bus drivers cannot wait for late students. Our goal is to ensure students arrive at school and return home safely and promptly.

### Bus Stop Safety:

- **Waiting Safely:** Students should wait for the bus in a safe location, away from the road, and only approach the bus after it has come to a complete stop and the driver has opened the door.
- **Crossing the Street:** If your child needs to cross the street to board the bus, they should always wait for the driver's signal and cross in front of the bus, never behind it.

**On-Board Bus Rules & Expectations:** To ensure a safe and respectful environment for all riders, please review these important rules with your child:

- **Remain seated** while the bus is in motion.
- **Keep aisles clear** of backpacks and personal belongings.
- **Speak quietly** and use appropriate and kind language.
- **Keep hands, feet, and objects** to themselves and inside the bus.
- **Follow the bus driver's instructions** at all times. They are responsible for everyone's safety.

- **Eating or drinking** on the bus (medically necessary and/or pre-approved). Water is definitely allowed.
- **Respect others** and their property.

### Parent/Guardian Responsibilities:

- **Review Bus Rules:** Please discuss bus safety and behavior expectations with your child. If your child expresses concerns while riding the bus, listen and ask questions in order to get as much of the story as possible before contacting the school. We want each ride to be safe and enjoyable for our students and drivers, each of our buses have surveillance cameras that provide complete coverage of the entire interior of the bus.
- **Emergency Contacts:** Ensure your child's emergency contact information is up-to-date with the school.
- **Communication:** If you have any questions or concerns, please reach out to your school or transportation department.
