Other Items:
Arthur: Offered to volunteer and spend some time helping students that may be struggling (especially in Math).
Arthur also brought up a concern about students riding their bikes on the wrong side of the road on 700 W. Students need to be reminded to ride on the right side of the road, or stay on the sidewalk. Youth B.E.S.T. is a program that works with schools, and can help teach students proper cycling etiquette and promote school safety. Arthur will try to get additional information and get us on the schedule.
